

Job Title

Content Writer on Retro Gaming for MyAbandonware.com

Job Description

MyAbandonware.com, one of the top abandonware website around, is looking an avid retrogamer to write tutorials and in-depth articles on the subject. We need a native English speaker, old school gamer, who wants to help other gamers to discover and play classic titles.

We will ask you to work for us part-time for a long period, and the job will include:

- proofreading current articles and improving them ;
- create tutorials to use various emulators ;
- writing reviews for games you know well ;
- writing in-depth articles about computers, consoles, emulators and more ;
- writing short texts for our browse pages.

You will be able to share content ideas with us, but you will not write news. Some experience in writing and knowledge of old systems are a plus. You need to be able to install and troubleshoot games and software. Hourly rate depends on your profile.
